

SESSION 2 ASSIGNMENT

Freelancing Platforms

Choose Your Best Freelancing Platform

Student Name		Group Code	
--------------	--	------------	--

Your Task

Choose one freelancing platform that best fits your specialization and goals, then identify one real opportunity or service example related to your skills.

Complete the task in 3 steps:

1. Choose one platform from the types discussed in the session: general, niche, microservice/gig, or Arabic.
2. Browse the platform and find one real project, job post, or service example that is relevant to your specialization.
3. Complete the table below and briefly explain why this platform is a good starting point for you.

Platform Name	
Platform Type	General / Niche / Microservice-Gig / Arabic
Why It Fits Me	
How Work Is Offered	Client posts projects OR freelancer offers services/gigs
Example Opportunity / Service	
Link
